Invitation

Dear Friends and Colleagues of the world NDT community,

It is our great honor to invite you to attend the 20th World Conference on Non-Destructive Testing (20th WCNDT) hosted by the Korean Society for Nondestructive Testing (KSNT) to be held in Incheon, South Korea in May 2024 under the auspice of ICNDT. We have been waiting for such a long time for this prestigious world conference to take place in Korea, and are now ready to provide a revitalized conference and exhibition.

The Organizing Committee will offer a dynamic technical program that will be highly informative to every participant. The conference will be the place for a continuous interchange of ideas and integration of professional colleagues from all around the world with an interest in this field. We are so confident that the 20th WCNDT will turn out to be the most successful platform for networking and inspiring new technical ideas with the support from all of you.

The venue, Songdo Convensia, Incheon, is a center of trade and transportation built upon the advanced infrastructure of Incheon International Airport (IATA: ICN). Within an hour's distance from Seoul by public transportation, participants will be given the opportunity to experience a mixture of diverse cultures and world-class urban life.

We are very much looking forward to meeting you all at Songdo Convensia in May 2024.

| Organizing Committee of the 20th WCNDT

Songdo Convensia

The 20th World Conference on Non-Destructive Testing (20th WCNDT) will be held at the Songdo Convensia, one of the largest convention and exhibition centers in Korea. Songdo Convensia has all the necessary elements of a world-class convention destination, including easy accessibility, adequate tourism resources, high-quality hotels and restaurants and the existence of an active support network consisting of both public and private organizations.

Dear Supporters of 20th WCNDT,

The 20th WCNDT Organizing Committee is delighted to work with you in ensuring that you remain in fond memory of all participants, exhibitors and guests of the conference as a sponsor of the 20th WCNDT.

We are ready to provide you with professional assistance in the implementation of your sponsorship concepts and advertising strategy to make the best use of the world's biggest NDT event.

We would be pleased to show you the different and effective ways of sponsoring at 20th WCNDT via email or a virtual meeting.

We look forward to hearing from you.
